

I am aware, that the processing time takes up to 15 Calendar days. Applications are processed on a strict first in first-out basis. Any enquiries to the embassy per phone, email, fax or any other means, asking for preferential treatment or the status of the . visa before 15 calendar days from the time of application, will not be answered, unless serious humanitarian reasons or reasons of public policy justify such a query. If the embassy, because of such a request, is selecting an application and finds the reason not justified, the application will go to the end of the queue.

The embassy tries to process applications as fast as possible and under normal condition the processing time will be less than 15 days. In certain cases, when other authorities have to be consulted, processing time can go up to 30 resp. 60 days.
